

MULTI-LANGUAGE SERVICES

Video programmers and producers turn to VITAC for accurate translation, flawless timing and quick turnaround.

OUR TEAM OF EXPERT CAPTIONERS AND SUBTITLERS INCLUDE:

- EML experts: Skilled English captioners who create the original English Master List.
- Translators: Native speakers also fluent in English populate the timed EML file with their translations.
- QC Experts: Native speakers, fluent in English and skilled at the timing subtitles.
- Reviewers: Native language subtitle experts who review and render final files.

Our expertise spans a wide range of subjects – from corporate rebranding to online training videos, from the latest movie release to internationally distributed TV networks. VITAC's Multi-Language Subtitling team are experts at translation and the creation of captions and subtitles in over 50 languages for niche customers including, but not limited to:
